Moving Day in Congo

The long-awaited moving day for fifty-eight orphans in Congo finally arrived on January 14th. Even though there turned out to be an unexpected one week delay, that did not dampen the enthusiasm or spirits of the children. Last minute details, such as the purchase of mosquito nets for every bed, were completed. It is our joy to share a few of the pictures we have received from Pastor Jeremiah of this eventful day. Thank you faithful Global Outreach partners and may God richly bless you for making this dream a reality.

As you can imagine, even though the children are very happy to be living in their new home there are several challenges that have arisen. When one child becomes ill, it is easily and quickly spread to others. A doctor visits the children once a week, but he is asking for medicines to treat such common illnesses as fevers and diarrhea. Another area of need is to supply fuel for the generator so the children can have a few hours of electricity at night. Fuel to cook the food is also in great demand. Any gift to meet these essential needs will be put to good use.

Rev. Allan M and Harle L Eliason, Founders

New Believers in India

Reverend Thomas, founder and director of Feed My People in India, recently sent a report of the evangelistic outreach in Tenali at the end of 2011. Every evening from the first day of November through the end of the year, church members

and pastors met for prayer and fasting through the night until 5:00 each morning. The goal of these services was to win souls to Jesus Christ, to have revival in the many churches represented, and to pray for a successful year of ministry in the nearly 200 churches affiliated with Feed My People. At

the conclusion of these sixty-one nights of meetings, the pastors and church members joined together to conduct an open air meeting which concluded with a baptism service. Five former Hindus, who accepted Christ during the meetings, were baptized by Reverend Thomas. As you can imagine, there was great rejoicing over these new converts and it is through your ongoing support that many others will have the opportunity to hear the Gospel and come to faith in Christ.

A unique opportunity for you to be a blessing

Global Outreach Directors Bill and Renee Reed, and Don and Jan Slaton will be traveling to India later this month to visit our 279 orphans, 85 teens, pastors, and church members. We will be giving small treats such as candy, pencils, and balloons to the children. We would also love to take them underwear, which is very expensive for them to buy in India. If you would like to donate a package of underwear we will personally deliver your gift to the orphans and teen girls. Please buy briefs in any size from girls size 6 to ladies size 6. Underwear is something we take for granted, but a luxury for many children around the world. This would be a great project for a Sunday School class, women's ministry, or local church. After we return from India, we will continue to collect underwear for our upcoming trip to Congo in July.

Please mail or drop off your gifts to:

Jan Slaton

You can also visit our website at www.global-outreach.net, click on "How You Can Help" and make a donation by credit card. A \$10.00 donation will provide underwear for 12 children.

Thank you and God bless you for your help.

Please keep us in your prayers February 17th-March 1st, as we travel to India, Thailand, and the Philippines to visit various ministries you support through Global Outreach.
