Church Leaders Seminar in Thailand

August 2011

One of the greatest needs of the church in developing nations is training for leaders. Many times pastors in particular have to work secular jobs to provide for their families while spending long hours caring for their local church family. Many of these pastors and other church leaders have not had the opportunity to receive formal training at a seminary or Bible

five-day seminar to train church leaders in Thailand. Classes were held during the day with a wide variety of topics such as spiritual growth, serving God, evangelism and church planting. The teachers were seasoned and respected men of God who came to Same-ong to strengthen the younger church leaders. In the evening, revival services were held and attended by members of many churches in the area. The pastors and leaders who were blessed by this seminar send their thanks and appreciation to Global Outreach partners who made this possible. Global Outreach is committed to equipping servants of God to reach their communities with the gospel of Jesus Christ.

New Clothing from America for Children in Africa

A few months ago a story appeared on the evening news about a woman in Ohio who had been on a mission trip to Africa. She was so touched by the children that when she returned home she felt compelled to help them and founded an organization to sew clothing for children in Africa. Global Outreach was able to assist Pastor Jeremiah in arranging for a shipment of these clothes for our orphans and other children. So many people in America have donated to this sewing project that we were

also able to arrange for another shipment to Pastor Fred in Bukavu, Congo for orphans and children in the community. Pastor Fred is a friend of Pastor Jeremiah and came to Congo for Christ to assist as a translator for our 2010 mission visit as well as for the recent mission team from National Community Church. Global Outreach has also assisted in this project by paying the customs fees to get the boxes released to Pastor Jeremiah and Pastor Fred.
